Huntington Camera Club

High School Photography Competition

Tuesday April 29, 2025  
7:30 pm  
Huntington Public Library

Huntington Camera Club would like to welcome all students, teachers, parents, and other attendees to the 35th Annual High School Photography Competition.

Every year the Camera Club receives generous donations from local businesses and individuals within the community. The Huntington Camera Club then distributes these donations to those high school students who demonstrate a talent for the art of photography.

A panel of judges selected by the Camera Club's Board of Directors reviews all submitted images. Entries are judged for their creativity, technical aspects, and ability to fit the theme (category). The amount of time needed to judge a competition of this size means that judging is completed before competition night. This year's judging took place on Wednesday, April 23rd. The judges will speak tonight about the twenty-five winning images.

A Special thank you to our many individual donors, especially HCC club members who donate their time and money every year.
